Information for organizing your club:

- **All attendees must be full conference registrants in order to participate in Club Brews.**
- Kegs/Bottles can be stored in our refrigerated truck prior to Club Brews (time TBD). **All beer MUST be labeled per labeling instructions.**
- PNWHC will provide a booth, one table, cold storage for kegs or bottles, ice and a dump bucket.
- **Your club will need to provide a jockey box and CO₂.** We suggest your club also provide signs listing the beers being served and your club name and location.
- Jockey boxes and decorations will need to be stored in your hotel room or brought onsite during set-up hours. We don't have space to store anything but beer.
- **Set-up is concurrent with the Saturday dinner.** Consider how long it will take to set up your display and be sure it can be done in a relatively short amount of time.
- Decorating is fun and a great way to show off club pride. We don't have many restrictions other than size of your booth (about 10' x 10'). However, no pyrotechnics or otherwise dangerous effects. Have fun, dress up, pick a theme. If you have questions about whether something is appropriate or whether something fits, let us know.
- Clubs may share space and a table if needed.
- Each booth has one back "wall" of pipe and drape. Items needing to be hung have to do so from hooks provided by our exhibit hall decorator. They are basically an "s" hook.
- Your club will be responsible for serving your own beer to the other attendees.
- Designate some club members to clean up. **At the end of the night, all decorations and trash must be removed.**
- For information on individual registration and conference policies please refer to pnwhc.com.
